

Semester credit overload approval

University Credit Policy:

The normal credit load for undergraduate students is 9 to 18 semester hours per semester and 9 semester hours for graduate students. Students wishing to enroll in more than a full load per semester must have additional permission.

Student Name _____

Student Current GPA _____

Semester applied for Credit overload _____

I wish to apply for an overload of semester credit. I have discussed the ramifications of this decision with my academic advisor and the Dean/ Program Director.
